November Newsletter

We hope that everyone had a safe and happy Halloween. A huge thank you to everyone who volunteered their time to help at our party and a delicious thanks for all the great treats that were sent!

IMPORTANT INFORMATION!

Parking – When dropping off and picking your children up, please park in a designated parking space and walk your children to and from the studio.

Boots & Jackets – Please remember to label all boots, shoes and jackets, and remind your children to make sure they are taking their own clothing and boots. The winter season is coming upon us quickly, and we don't want your child missing their boots or jacket.

The dance studio is not responsible for lost or stolen items. If something does go missing, or your child has taken the wrong item please notify the front desk immediately. Please leave your valuables at home. Thank you.

Christmas is just around the corner. The Santa Claus Parade will be on Saturday, November 28th, at 11:00am. Imagination Dance & Fitness will again have a float in the parade, so we will be looking for students to come and join us to either sit on the float, or dance. (Children under 8 need an adult on the float with them, and to dance you have to be 8 or older). Participants should wear Christmas colours. Everyone will meet on Armory Street no later than 10:30 am. The easiest way to get there is to come down Stanley Road to Armory Street, as many streets will be blocked for parade. At the end of the parade you will be able to pick up your children up at King Eddy parking lot 6 on Queen St. Watch the lobby bulletin board for more information! **Sign Up Sheets are posted in the Lobby!**

You should bring a blanket to stay warm and we will supply you with hot chocolate to make you cozy!

Miss Chantelle invites
family & friends of
Kinderdance students
